Hello Mims and JT,

I am just confirming that Kate Bitz from Western States Center and I will be at the NIC GSA Club meeting on Thursday, 1/19 12 PM - 1 PM at the Student Union Building. I will plan to arrive on campus a little early. Does the club still meet downstairs in the SUB?

I am currently organizing community members locally to send postcards to Idaho legislators on a topic that directly relates to the community events the NIC Club has historically held on a bi-annual basis. I can briefly provide info and will bring a stack of cards with me in case there are any students who are interested.

For more information about the postcards: <https://bit.ly/3ZcDHKS>

Please feel free to let us know if there is any additional support we can provide in advance or after visiting the club. Looking forward to connecting.

Take care,

Hi Mia,

This is Jessica Mahuron - I hope you remember me from North Idaho Pride Alliance. I am reaching out to you as President of the NIC GSA Club to see if we could possibly connect in the next couple of weeks. I hope you and the club are doing well, and I appreciate all that you are doing to promote inclusion and provide support on campus.

I know many in the community were very sad (and angry) to hear about the targeting of the long-standing "Hallowqueens" drag show and want to support the club in whatever way possible. I know how hard the club works to put that event together and how it benefits the NIC Food Pantry.

As you are well aware from Pride in the Park, the NIPA team had to navigate through some pretty scary stuff last Spring and Summer, and that hate and disinformation are ongoing. One of the most vital support resources we had throughout the Pride in the Park experience was the Western States Center. Since 1987, the Western States Center has worked to uplift marginalized communities and provide accessible tools for collective action. They are leaders in the industry in understanding and countering extremism, white nationalism, and anti-democracy movements. You can learn more at <https://www.westernstatescenter.org/>

Kate Bitz, Program Manager, and Organizer/Trainer for the Western States Center would like to lend support in whatever way possible. Kate is a member of the queer community, lives in Spokane, and provided tremendous support to me and NIPA during Pride in the Park. Currently, I am working with them through their Defending Democracy fellowship program. I cc'd Kate so you all can be

connected.

I was wondering if the NIC GSA Club would be interested in having Kate from the Western States Center and me as a guest at one of your upcoming club meetings to connect as a resource. Let us know if there is a club meeting that would work in either late November or December.

Also - I am organizing a small food drive today 4-7 PM at Stylus Wine & Vinyl Bar in CDA to benefit the NIC Food Pantry. It won't replace what Hallowqueens would have yielded, but it's a small start. If the Club is interested in any alternatives to organizing a food drive, I would love to support that.

Take care and hope to hear from you. Feel free to email, text, or call me.

How to Fix It

The address may be misspelled or may not exist. Try one or more of the following:

- Send the message again following these steps: In Outlook, open this non-delivery report (NDR) and choose **Send Again** from the Report ribbon. In Outlook on the web, select this NDR, then select the link "**To send this message again, click here.**" Then delete and retype the entire recipient address. If prompted with an Auto-Complete List suggestion don't select it. After typing the complete address, click **Send**.
- Contact the recipient (by phone, for example) to check that the address exists and is correct.
- The recipient may have set up email forwarding to an incorrect address. Ask them to check that any forwarding they've set up is working correctly.

- Clear the recipient Auto-Complete List in Outlook or Outlook on the web by following the steps in this article: [Fix email delivery issues for error code 5.1.10 in Office 365](#), and then send the message again. Retype the entire recipient address before selecting **Send**.

If the problem continues, forward this message to your email admin. If you're an email admin, refer to the **More Info for Email Admins** section below.

More Info for Email Admins

Status code: 550 5.1.10

This error occurs because the sender sent a message to an email address hosted by Office 365 but the address is incorrect or doesn't exist at the destination domain. The error is reported by the recipient domain's email server, but most often it must be fixed by the person who sent the message. If the steps in the **How to Fix It** section above don't fix the problem, and you're the email admin for the recipient, try one or more of the following:

The email address exists and is correct - Confirm that the recipient address exists, is correct, and is accepting messages.

Synchronize your directories - If you have a hybrid environment and are using directory synchronization make sure the recipient's email address is synced correctly in both Office 365 and in your on-premises directory.

Errant forwarding rule - Check for forwarding rules that aren't behaving as expected. Forwarding can be set up by an admin via mail flow rules or mailbox forwarding address settings, or by the recipient via the Inbox Rules feature.

Recipient has a valid license - Make sure the recipient has an Office 365 license assigned to them. The recipient's email admin can use the Office 365 admin center to assign a license (Users > Active Users > select the recipient > Assigned License > Edit).

Mail flow settings and MX records are not correct - Misconfigured mail flow or MX record settings can cause this error. Check your Office 365 mail flow settings to make sure your domain and any mail flow connectors are set up correctly. Also, work with your domain registrar to make sure the MX records for your domain are configured correctly.

For more information and additional tips to fix this issue, see [Fix email delivery issues for error code 5.1.10 in Office 365](#).

Hello everyone :) I just wanted to thank y'all for hosting this club and meeting. I didn't want to speak out of turn, so I figured emailing might be easiest! I wanted to mention I am more than available and willing to help with tasks and issues we may face as a group.

As much as I may complain about it, advocacy and speaking has a tendency to be my thing. I've worked as a student advisor on my previous school board, I've worked with non profit organizations and have been invited to large meetings/parties to be a speaker, and I've worked with my previous cities major pride organization. So if we ever needed an "spokesman" for topics, I am always available. Like mentioned, I also am majoring in criminal justice! So I can always do research into topics we may need more legal information on.

Thanks again!

I am writing to remind you that the GSA's first meeting of the semester is **Thursday the 19th from 12pm to 1pm**. It is in Powderhorn Bay Room Downstairs in the SUB just like last semester. Feel free to bring lunch. In addition to getting things started with the Spring Drag Show, and talk of elections, here will be a couple of visitors from the community coming to talk to us about being active in the community. One is Jessica Mahuron from [North Idaho Pride Alliance](#), and the other is that Kate Bitz from [Western States Center](#). Jessica is specifically bringing [postcards](#) for a campaign in support of Drag in Idaho.

Hello everyone :) I just wanted to thank y'all for hosting this club and meeting. I didn't want to speak out of turn, so I figured emailing might be easiest! I wanted to mention I am more than available and willing to help with tasks and issues we may face as a group.

As much as I may complain about it, advocacy and speaking has a tendency to be my thing. I've worked as a student advisor on my previous school board, I've worked with non profit organizations and have been invited to large meetings/parties to be a speaker, and I've worked with my previous cities major pride organization. So if we ever needed an "spokesman" for topics, I am always available. Like mentioned, I also am majoring in criminal justice! So I can always do research into topics we may need more legal information on.

Thanks again!

I am writing to remind you that the GSA's first meeting of the semester is **Thursday the 19th from 12pm to 1pm**. It is in Powderhorn Bay Room Downstairs in the SUB just like last semester. Feel free to bring lunch. In addition to getting things started with the Spring Drag Show, and talk of elections, here will be a couple of visitors from the community coming to talk to us about being active in the community. One is Jessica Mahuron from [North Idaho Pride Alliance](#), and the other is that Kate Bitz from [Western States Center](#). Jessica is specifically bringing [postcards](#) for a campaign in support of Drag in Idaho.
